

**Special Rapporteur on the situation of human rights in the Islamic Republic of Iran  
A/HRC/31/69 para 71**

**Full recommendation**

*Urges the government to facilitate ongoing requests for information, and enjoins Iran to consider a voluntary midterm review, which may contribute to its ability to uphold its international human rights obligations.*

**Assessment using Impact Iran human rights indicators<sup>1</sup>**

The Islamic Republic of Iran generally does not facilitate requests for information as it reports insufficiently on human rights issues raised by the UN Special Rapporteur and other UN human rights mandate-holders.

The Islamic Republic of Iran has not submitted a voluntary midterm review for the third cycle of the Universal Periodic Review.<sup>2</sup>
