

**Concluding observations Committee on the Rights of the Child CRC/C/IRN/CO/3-4 para 86(c)**

**Full recommendation:**

*Seek technical assistance in this regard from the International Programme on the Elimination of Child Labour of the International Labour Office.*

**Assessment**

There is no readily available information that might suggest that the Government of the Islamic Republic of Iran has been seeking technical assistance from the International Programme on the Elimination of Child Labour of the International Labour Office or that the Government engaged with the Programme in any way.<sup>1</sup>

Recommendation Status:

This recommendation has **NOT** been implemented.
